**⚡** Make sure the power is disconnected at all times while handling the product.  
Assurez-vous que l'alimentation est coupée à tout moment lors de la manipulation du produit.  
Asegúrese de que la alimentación esté desconectada en todo momento mientras manipula el producto.

Verificare che l'alimentazione sia sempre scollegata durante la manipolazione del prodotto.

Zorg ervoor dat spanning tijdens het hanteren van het product altijd is losgekoppeld.

Achten Sie darauf, dass die Stromversorgung während der Handhabung des Produkts immer unterbrochen ist.

製品の取り扱い中は、常に電源が切断されていることを確認してください。

Pastikan daya selalu terputus saat menangani produk.

在搬運產品時，請確保始終斷開電源。

**⚡** Must be installed by a qualified electrician in accordance with all national and local electrical and construction codes and regulations.

Doit être installé par un électricien qualifié conformément aux codes et réglementations électriques nationaux et locaux du bâtiment.

La instalación debe realizarla un electricista calificado siguiendo todos los códigos y normativas eléctricas y de construcción, tanto nacionales como locales.

Devono essere installati da un elettricista qualificato in conformità con le norme locali e nazionali vigenti in materia di costruzioni edilizie e installazione di impianti elettrici.

Moet door een gekwalificeerd elektricien overeenkomstig alle nationale en lokale elektrische verordeningen worden geïnstalleerd.  
Muss von einem geprüften Elektriker in Übereinstimmung mit allen nationalen und örtlichen elektrischen Codes und Regelungen installiert werden.

国または地域の建築コードおよび規制にすべて従い、資格のある電気技師が設置してください。

Harus dipasang oleh teknisi listrik yang berkualifikasi sesuai dengan kelistrikan nasional, lokal dan kode konstruksi serta peraturan pemerintah.

必須根据所有国家和地方的电气和施工准则及规范，由符合资格的电工进行安装。

**⚡** Before installing this product, please visit the product page at [www.colorkinetics.com](http://www.colorkinetics.com) for the latest version of the installation instructions. Due to continuous improvements and innovations, installation instructions may change without notice.  
Avant de procéder à l'installation de ce produit, veuillez consulter la page Web du produit à l'adresse [www.colorkinetics.com](http://www.colorkinetics.com) pour obtenir les instructions de montage les plus récentes. En raison des améliorations et innovations sans cesse entreprises, les instructions de montage peuvent être modifiées sans préavis.

Antes de instalar este producto, visite la página del producto en [www.colorkinetics.com](http://www.colorkinetics.com) para consultar la última versión de las instrucciones de instalación. Debido a las continuas mejoras e innovaciones, las instrucciones de instalación pueden cambiar sin previo aviso.

Prima di installare il prodotto, visitare la pagina relativa all'indirizzo [www.colorkinetics.com](http://www.colorkinetics.com) per la versione più recente delle istruzioni d'installazione. Grazie ai miglioramenti e alle innovazioni continue, le istruzioni sono soggette a modifiche senza preavviso.

Ga voordat u dit product installeert, eerst naar de productpagina op [www.colorkinetics.com](http://www.colorkinetics.com) voor de meeste recente versie van de installatie-instructies. Vanwege voortdurende verbeteringen en innovaties kunnen de installatie-instructies zonder bericht gewijzigd worden.

Besuchen Sie vor der Installation des Produkts bitte die Produktseite unter [www.colorkinetics.com](http://www.colorkinetics.com), um die aktuellen Installationsanweisungen herunterzuladen.

Aufgrund kontinuierlicher Verbesserungen und Innovationen können die Installationsanweisungen ohne Vorankündigung geändert werden.

この製品を設置する前に、[www.colorkinetics.com](http://www.colorkinetics.com) の製品ページにアクセスして、最新の設置手順を確認してください。改善・改良を継続的に進めるため、取り付け手順が予告なく変更されることがあります。

Sebelum memasang produk ini, harap kunjungi halaman produk di [www.colorkinetics.com](http://www.colorkinetics.com) untuk versi terbaru dari petunjuk penginstalan. Untuk penginstalan yang disebabkan oleh perbaikan dan inovasi berkelanjutan, instruksi penginstalan dapat berubah tanpa pemberitahuan.

安裝該產品之前，請先訪問產品頁面 [www.colorkinetics.com](http://www.colorkinetics.com) 以獲取最新版的安裝說明。

☞ The Onespace panel is a luminaire type with "non-user replaceable light source".  
Le panneau OneSpace est un type de luminaire à « source lumineuse non remplaçable par l'utilisateur ».  
El panel OneSpace es un tipo de luminaria con "fuente de luz no sustituible por el usuario".  
Il pannello OneSpace è un apparecchio con una "sorgente luminosa non sostituibile dall'utente".  
Het OneSpace paneel is een armatuur met een "niet-ervangbare lichtbron".  
Das OneSpace-Panel ist ein Leuchtentyp mit „nicht vom Benutzer austauschbarer Lichtquelle“.  
Onespace パネルは、「ユーザーが交換できない光源」を備えた照明器具タイプです。  
Panel OneSpace adalah lumener jenis dengan "sumber cahaya diganti non-pengguna".  
OneSpace 面板是具备“非用户可更换光源”的灯具类型。

☞ The LED Module is an integrated component of this Onespace panel, and may not be used as a stand-alone light engine.  
Le moteur de Module LED est un composant intégré de ce panneau OneSpace, et ne peut pas être utilisé en tant que moteur de lumière autonome. La fuente de Módulo LED es un componente integrado de este panel de OneSpace y no se puede utilizar como fuente de luz independiente.  
Il motore di Modulo LED è un componente integrato del pannello OneSpace e non può essere usato in modalità stand-alone.  
De LED-Module is een geïntegreerde onderdeel van dit OneSpace paneel en mag niet als stand-alone lichtmodule gebruikt worden.  
Das LED-Modul ist eine integrierte Komponente dieses OneSpace-Panels und darf nicht als unabhängiges Lichtmodul genutzt werden.  
LED モジュールは、この OneSpace パネルの統合コンポーネントであり、スタンドアロンのライトエンジンとしては使用できません。  
Mesin Modul LED adalah komponen OneSpace panel ini terintegrasi, danditidak dapat digunakan sebagai mesin ringanyang berdiri sendiri.  
LED 模块是该 OneSpace 面板的集成组件，不可作为独立的光源使用。

☞ This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

☞ The Light Engine is directly connected to the SELV driver, no other connections are allowed.  
Le Light Engine est directement connecté au pilote SELV, aucune autre connexion n'est autorisée.  
El Light Engine está conectado directamente a la Controlador SELV, no hay otras conexiones están permitidos.  
Al Light Engine è direttamente collegato al driver SELV, non sono consentite altre connessioni.  
De Light Engine is rechtstreeks verbonden met de SELV-driver, andere verbindingen zijn niet toegestaan.  
Die Light Engine ist direkt verbunden mit dem SELV-Treiber, keine weiteren Verbindungen sind erlaubt.  
Light EngineはSELVドライバーに直接接続されており、他の接続は許可されていません。  
Mesin yang ringan terhubung langsung ke driver SELV, tidak dibuthkan koneksi yang lainnya.  
Light Engine直接连接到中的SELV驱动程序，不允许其他连接。

☞ Use **only** a double insulated (no protective earth connection), non-conductive housing, UL approved Class 2 or CE SELV 24Vdc power supply. Utilisez **uniquement** une alimentation 24 V CC homologuée UL Classe 2 ou CE SELV avec double isolation (pas de connexion de terre de protection) et boîtier non conducteur.  
Usa **solo** una fuente de alimentación de doble aislamiento (sin conexión a tierra de protección), carcasa no conductora, con aprobación UL Clase 2 o CE SELV 24 Vcc.  
Usare **solo** un doppio isolamento (nessuna connessione di terra di protezione), custodia non conduttiva, omologazione UL Classe 2 o alimentazione CE SELV 24Vdc.  
Gebruik **alleen** een dubbel geïsoleerde (geen beschermde aardaansluiting), niet-geleidende behuizing, UL-goedgekeurde klasse 2 of CE SELV 24Vdc-voeding.  
Verwenden Sie **nur** ein doppelt isoliertes (ohne Schutzleiteranschluss), nicht leitfähiges Gehäuse, ein von UL zugelassenes Netzteil der Klasse 2 oder ein CE SELV 24Vdc-Netzteil.  
二重絶縁（保護接地なし）、非導電性筐体、UL 認定クラス 2 または CE SELV 24Vdc 電源のみを使用してください。  
只能使用双重绝缘（无保护接地连接）、非导电外壳、经过 UL 批准的 2 类或 CE SELV 24Vdc 电源。

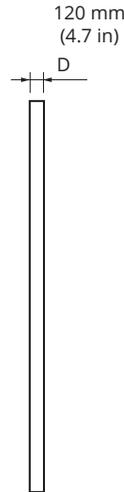

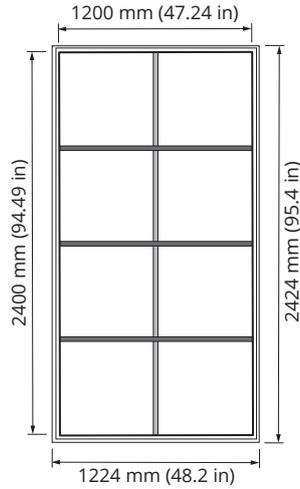

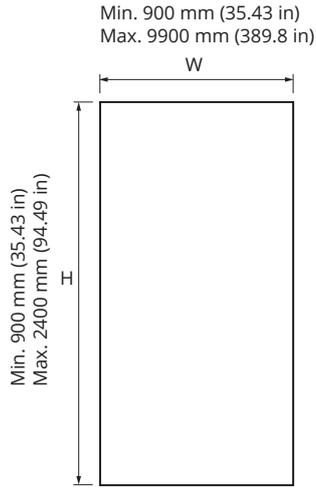

☞ For clarity reasons, the illustrations in this instruction are shown for non-recessed mounting. Pour des raisons de clarté, les illustrations de cette instruction correspondent à un montage non encastré.  
Para mayor claridad, las ilustraciones de estas instrucciones se muestran para montaje no empotrado.  
Per maggiore chiarezza, le illustrazioni in queste istruzioni mostrano il montaggio senza incasso. Omwille van de duidelijkheid worden in deze instructies de illustraties getoond voor niet-inbouwmontage.  
Zugunsten der besseren Darstellung zeigen die Abbildungen in dieser Anleitung das nicht in die Decke eingelassene Panel.  
分かりやすいよう、説明には非埋め込み型のイラストを使用しています。  
Untuk lebih jelasnya, ilustrasi yang di berikan adalah penggunaan untuk yang "non recessed mounting".  
为了清晰起见，本说明中所呈现的灯具为非嵌入式安装的灯具。

☞ For A) non recessed and B) recessed separate mounting instructions are given. Des instructions de montage distinctes sont fournies pour un A) montage non encastré et pour un B) montage encastré.  
Para A) no empotrado y B) empotrado se facilitan instrucciones de montaje independientes.  
Per le versioni A) senza incasso e B) con incasso vengono fornite istruzioni di montaggio separate.  
Voor A) niet-inbouw en B) inbouw worden afzonderlijke montage-instructies gegeven.  
Für A) den nicht in die Decke eingelassenen Einbau und B) den in die Decke eingelassenen Einbau werden separate Montageanweisungen gegeben.  
A) 非埋め込み型と B) 埋め込み型では、取付方法が異なります。  
Untuk A) tidak tersembunyi dan B) diberikan instruksi pemasangan terpisah.  
对于 A) 非嵌入式以及 B) 嵌入式，分别给出了安装说明。
